

RED

VOLUNTEER FOR TECHNICAL ROLES DURING THE COMPETITION

Volunteer your time to help further the next generation of cyber workforce in this fast paced, scenario driven environment.

What is the Red Team?

Red Team is comprised of volunteers that have a technical background in IT and will play the role of “hackers”. They will be penetration testing, running plays, and actively working to breach systems of the collegiate Blue Team.

What is the CyberForce Competition?

The CyberForce Competition® is a collegiate, cybersecurity competition by the Department of Energy. The purpose of this competition is workforce development and helping the students (Blue Teams) hone their skills by having them compete and defend against “hackers” (Red Team volunteers) in a real-world scenario.
