

U.S. DEPARTMENT OF ENERGY'S  
**CYBERFORCE  
COMPETITION**<sup>®</sup>  
DEFENDING U.S. ENERGY INFRASTRUCTURE

# GREEN

## VOLUNTEER FOR NON-TECHNICAL ROLES DURING THE COMPETITION

Volunteer your time to help further the next generation of cyber workforce in this fast paced, scenario driven environment.

### What is the Green Team?

Green Team is composed of volunteers of all backgrounds and play the business user or owner/operator role during the competition by testing the functionality of each Blue Team's website. **Technical backgrounds are not required.**

### What is the CyberForce Competition<sup>®</sup>?

The CyberForce Competition<sup>®</sup> is a collegiate, cybersecurity competition by the Department of Energy for workforce development. The purpose of this competition is to help the students (Blue Teams) developing and enhancing their skills by defending against "hackers" (Red Team volunteers) in a real-world scenario through realistic energy-based scenarios.
