

U.S. DEPARTMENT OF ENERGY'S
**CYBERFORCE
COMPETITION**[®]
DEFENDING U.S. ENERGY INFRASTRUCTURE

LOGISTICS

VOLUNTEER FOR A LOGISTICS ROLE DURING THE COMPETITION

Volunteer your time to help further the next generation of cyber workforce in this fast paced, scenario driven environment.

What is a Logistics Role?

This role supports competition staff with various administrative duties on Friday, November 8 and Saturday, November 9. Duties may include volunteer and team check-in tables, lunch support, raffle ticket distribution, directional support, and more. Shifts are set for 2-hour increments.

What is the CyberForce Competition[®]?

The CyberForce Competition is a collegiate cybersecurity competition by the Department of Energy for workforce development. The purpose of this competition is to help the students (Blue Teams) develop and enhance their skills by defending against “hackers” (Red Team volunteers) in realistic energy-based scenarios.

Opportunities

When?

Friday, November 8 and Saturday, November 9

- 2 hour shifts

Individuals may volunteer for more than one shift

Where?

On-site (Q Center) only

Other Info

Volunteers will get a t-shirt and lunch (time-dependent). Please wear comfortable shoes as there is likely to be some moderate walking.

Opportunities to network with industry professionals, national laboratory personnel, and students and mentors from schools across the country.
