U.S. DEPARTMENT OF ENERGY'S CYBERFORCE COMPETITION®
DEFENDING U.S. ENERGY INFRASTRUCTURE

SCORING ASSISTANT

VOLUNTEER FOR SCORING ASSISTANT ROLES BEFORE THE COMPETITION

Volunteer your time to help further the next generation of cyber workforce in this fast paced, scenario driven environment.

What are Scoring Assistants?

This team assists competition staff with scoring pre-competition materials such as security documentation or video submissions. Individuals are provided scoring materials the week prior to the competition and asked to provide a rough number of volunteer hours.

What is the CyberForce Competition®?

The CyberForce Competition is a collegiate cybersecurity competition by the Department of Energy for workforce development. The purpose of this competition is to help the students (Blue Teams) develop and enhance their skills by defending against "hackers" (Red Team volunteers) in realistic energy-based scenarios.
