LOGISTICS

VOLUNTEER FOR A LOGISTICS ROLE DURING THE COMPETITION

Volunteer your time to help further the next generation of cyber workforce in this fast paced, scenario driven environment.

What is a Logistics Role?

This role supports competition staff with various administrative duties on Friday, November 13 and Saturday, November 14. Duties may include volunteer and team check-in tables, lunch support, directional support, and more. Shifts are set for 2-hour increments.

What is the CyberForce Competition®?

The CyberForce Competition is a collegiate cybersecurity competition by the Department of Energy for workforce development. The purpose of this competition is to help the students (Blue Teams) develop and enhance their skills by defending against "hackers" (Red Team volunteers) in realistic energy-based scenarios.
